The New Hampshire Department of Transportation (NHDOT) announces a combined Public Officials/Public Informational Meeting will be held Thursday, April 7, 2005 to discuss the planned paving of approximately 4.5 miles of NH Route 106.

This project begins just north of US Route 3 in Pembroke and proceeds north to the intersection off Autumn Street in Concord. Also included are drainage and guardrail improvements.

The purpose of the April 7 meeting is to present citizens and public officials with information regarding the proposed roadwork and to solicit public input.
